

Dear: Honourable Niki Sharma  
Attorney general BC

[AG.Minister@gov.bc.ca](mailto:AG.Minister@gov.bc.ca)

I am writing to express my extreme dissatisfaction with the lack of punishment being handed out for property crimes in the Dawson Creek area. It seems that offenders are given a slap on the wrist and are back on the streets the very next day, causing havoc in our community.

The fact that offenders are getting away with such light sentences is sending a message that our community is weak on crime, and as a result, criminals are flocking here. This is unacceptable and must be addressed immediately.

I urge you to take action and ensure that those who commit property crimes in our community are held accountable for their actions. Only then will we be able to create a safe and secure environment for everyone who lives here.

Sincerely,
